2016/2017 PMI PROGRAM

REDUCE DOWN TIME

INCREASE PRODUCTIVITY

MAXIMIZE EFFICIENCY

\$550 PER MACHINE

IN SHOP

OR

\$750 PER MACHINE

IN FIELD

- PMIs are performed by HJV Factory Trained Technicians
- We encourage operator to be present during PMI
- PMI will be reviewed by owner and operator
- PMI includes a thorough inspection of Chassis & Product System
- PMI quote includes a detailed written description of recommended parts & labor, & are reviewed by HJV Technician with customer
- HJV offers a 10% parts discount on all repairs performed by our Certified Technicians

HJV also offers, on a first come first serve basis, under roof storage for customers having their PMI & repair work performed at HJV
