

## We're Hiring – Join the HJV Team!

### VP Assistant – Sales

HJV Equipment is a growing agricultural equipment distributor, in business for over 25 years. Our vision is twofold and integrated; to become the premier specialized agricultural equipment distributor in the world, and to successfully train and develop our employees, enhancing their lives by providing them with a rewarding and challenging work environment.

The VP Assistant Sales position reports to the Vice President Sales, involved in all aspects of managing the business from sales to marketing and operations. The incumbent will assist in providing accurate sales reports, assisting in the management of deals, and involved with marketing initiatives of new and used whole goods equipment sales. This role involves working with all departments, vendors, suppliers and customers. This is a great opportunity to learn and grow with the company, with various career path options. The role will involve travelling to different HJV branches, spending time in the field visiting customers and shadowing sales representatives.

#### Requirements:

- Post secondary education equivalent to a University Degree or College Diploma in Business Administration, Agriculture, Mechanics or related field
- Exposure to farming and the Ag industry
- Strong computer skills
- Excellent interpersonal, communication and customer service skills
- Ability to work independently and effectively, while under pressure with simultaneous deadlines
- Organized and detail oriented with excellent multi-tasking skills
- Must possess a valid Driver's License and clean abstract
- Ability to travel to various HJV sites (Canada and US)
