

Parts Counter Position (Hensall, Ontario)

HJV Equipment is a growing agricultural equipment distributor, in business over twenty-seven years. Our vision is twofold and integrated: to become the premier specialized agricultural equipment distributor in the world, and to successfully train and develop our employees; enhancing their lives by providing them a rewarding and challenging work environment. As a leader in the specialized agricultural industry, we are looking for talented individuals to join our team. We offer career paths in Service, Parts, Sales, Engineering and Administration. For those entering the workforce, our HJV Apprenticeship program supports youth interested in careers in agriculture, with mentoring opportunities working with our highly skilled employees.

We have an opening for a full time, permanent **Parts Counter Sales Representative** at our Hensall store. This position is the first point of contact for our parts customers, over the counter and/or by phone, providing an exceptional customer experience. The representative provides consultation on customer's parts needs in a friendly and professional manner and maintains up to date knowledge on our product lines.

The successful candidate should demonstrate the following:

- Knowledge of and experience in parts systems, inventory control procedures, service and whole goods sales environments is an asset
- Strong organizational, multi-tasking skills and problem-solving skills
- Solid computer skills (including Microsoft Office)
- Excellent communication, interpersonal and relationship building skills
- Exceptional customer service skills
- Farming industry experience is a strong asset
- Current driver's license and clean abstract

Starting date: QIV 2018
